

Sample Program

For marriage during Mass (with communion)

- The primary purpose of your wedding program is to help your guests feel welcomed and at ease during your ceremony. The outline of the liturgy and the music are very important in being hospitable to those who celebrate with you.
 - Saint Clement church does not have any hymnals or worship books in the pews. This allows our liturgies to have custom programs and allows us to use a wide range of music. This makes your program all the more important.
 - You may also choose to place the names of important family members and your wedding party.
 - Templates of these programs can be provided upon request to the person coordinating your music.
- There are options to each ceremony.
 - Items printed in **RED** are considered optional.
 - Items printed in **BLUE** will change based upon your musical and liturgical choices.
 - All programs must be submitted to the person coordinating your music before printing. This is to verify that the order is correct and that the musical information matches what is planned.

This program is designed on 8.5 X 11 paper
positioned horizontally.

Due to copyright laws, decorative fonts and copyright music are not included. Music graphics are free and available from the church provided that they are used only at Saint Clement.

Ask the music staff for more information.

Once you complete your program layout, you will need to rearrange the pages so that it prints correctly.
