## Stewardship is a Way of Life

Rooted in gratitude for the many gifts God has bestowed upon us as individuals and as a community, Christian stewardship calls upon each of us to

- nurture our relationship with God through prayer;
- put our faith into action through service;
- and to share our gifts with others by sacrificial giving.

Your **Sunday Giving Commitment** to Saint Clement Parish is an important part of what it means to be a good Christian steward. Giving a financial commitment to support the basic operating needs of Saint Clement Parish in 2012 represents a tangible expression of gratitude for God's role in your life and the part the parish has played in deepening your spiritual life. At the same time, your commitment enables the parish to support the many programs, ministries, and services that promote prayer, service, and giving to others within and beyond the Saint Clement community. Through the **Clement Commits** program, fully 9.5% of all funds donated in this general collection will be contributed to worthy charitable causes outside of the parish.

We understand the serious decision involved in making a **Sunday Giving Commitment** for many families, particularly in these trying economic times, but giving as generously as you can is a reflection of true Christian stewardship. Whatever amount you decide to give, we thank God for your committed generosity.
